Dissertation Appendix Template

(Prepared by Premier Dissertations — Updated November 2025)

How to Use This Template

This appendix template is designed to help UK students organise supplementary dissertation materials.

You can edit each section below to include your own questionnaires, transcripts, or statistical tables.

Keep the same font, spacing, and numbering as your main dissertation.

Appendix A – Survey Questionnaire

Title: Student Use of Digital Learning Tools

Section 1 – Demographics

1. Age group: 18–25 | 26–35 | 36–50 | 51+
2. Programme: Undergraduate | Masters | PhD
3. Gender: Male | Female | Prefer not to say

Section 2 – Usage Patterns

4. How often do you use online learning tools per week?
5. Rate agreement: "Digital tools improve my academic productivity."
   (1 = Strongly Disagree → 5 = Strongly Agree)

Appendix B – Interview Transcript (Excerpt)

Interviewer: How has technology changed your study habits?

Participant 1: It made access to readings faster, though distractions increased.

Consent Note: Interview recorded with permission. Names replaced by participant codes (e.g., P1, P2).

Appendix C – Ethics and Consent Documents

Include scanned copies or screenshots of:

- Participant information sheet
- Signed consent form
- University ethical approval letter

(Redact personal names and signatures before sharing publicly.)

Appendix D – Statistical Outputs / SPSS Tables

Table D1 – Model Summary	Value
R^2	0.41
Adjusted R^2	0.39
$F_{(4, 215)}$	37.6
Sig.	.000

Table D2 – Coefficients	β	Sig.
Training Hours	.33	.001
Tenure	.11	.07

Appendix E – Additional Material

Attach any extra files such as correspondence, observation notes, or photo logs.

Label images as Figure E1, E2, etc.

Formatting Checklist

- Each appendix starts on a new page.

- Clear labels (A, B, C…) appear in order of mention.

- Tables / figures numbered by appendix (e.g., Table A1, Figure B1).

- Fonts & margins match dissertation body.

- All data anonymised.

- Appendices listed in Table of Contents.
